Final Cost Acceptance Signoff

Date: \_\_\_\_\_

ATCO: \_\_\_\_\_

Developer: \_\_\_\_\_

This schedule excludes costs being charged by ATCO, and any other shallow utility installation costs (Gas, Cable, and Phone) required to service the subdivision.

Labour and equipment costs should include all installation costs including but not limited to project management, consultant design and on site project supervision for electrical installation

Estimated costs are submitted to ATCO with the final submission of the Issued for Construction Drawings for ATCO's review and approval

Final costs are submitted to ATCO along with the Construction as-built and Construction Completion Certificate
